Opp. State Bank of India,   kapil.agrawal947@gmail.com

Pratap Bazar, Vrindavan, Uttar Pradesh, 281121

Objective: To enter into the software world and obtain experience as an intern

Education:

Examination	University/Board	%of Marks/CPI
B.Tech	**GLA University, Mathura**	**9.2**
12th	**CBSE**	**92.4**
10th	**CBSE**	**91.33**

Professional Profile: I have experience in following languages:
- C(Intermediate)
- C++(Intermediate)
- PHP(Intermediate)
- HTML(Intermediate)
- JavaScript(Intermediate)

Extra-curricular: I participated in following activities:
- Attended **Entrepreneurship and Business Workshop by Nurture Talent** Academy in collaboration with **IIM Ahemdabad** and got **first position** in **Business plan competition**.
- Got **first rank in school** in 12th board exam.
- Won the **website building competition** in G.L.A University in IIIrd year
- Got **MTA Certification** in Database Management Systems.
- Got **sixth rank** in district in the 11th**National Industry Targeted Aptitude Test**
- **Initiated college chapter** of codechef.com and organized coding events and **database competition** (Cook D Query) in college for second year students in collaboration **with CSI and IEEE**.

Hobbies: I am interested in:
- Reading about new Technical Innovations
- Reading about politics
- Photography
- Listening to music

Recent Project: I am currently working on an **online recruitment management system** with complete functionality for recruiters. This is based on PHP, JavaScript, JQuery. HTML and CSS provide a responsive design to the website. I am pushing my limits to add some creative and cool features. I have recently made a **blogging site** and also **a complete social book reader** while in college.
